Man Drowned in Well—Guests at Donahue's.

Ovilia Blair of Auburn, who has been employed at A. B. Kimball's was found drowned in a well near where he was working, Tuesday morning, Nov. 11. He left for work as usual with the other men and about nine o'clock George Gorman, who was driving a truck to the well to get water for the radiator, noticed the water wasn't as clear as usual, but dipped the can in and struck something. It proved to be a man's foot. He shouted for the other man to come and they discovered who it was. A doctor and the medical examiner were called. He pronounced it accidental drowning. It was thought he went to the well for a jug of water as the jug was found nearby and was either taken suddenly faint or sick and fell into the well.

Mrs. Elvema Cummings went the next morning, at Mrs. E. O. Donahue's.

Evie Bean, who has been working at Lovell, has returned to W. L. Beckler's.

Miss Mildred Jamison of Robinson has been a guest of her sister, Mrs. E. O. Donahue. John Lincoln of Lewiston has also been at E. O. Donahue's.

Mr. and Mrs. Floyd Kimball and Mr. and Mrs. George Brown were at Lewiston Sunday, Nov. 9.

Mrs. L. J. Andrews, Roy Andrews, Sara Hersey, Mrs. A. D. Keniston and daughter, Phyllis were at Rumford, Saturday, Nov. 8.

Elph Kimball of Augusta spent the week end at his home recently.

Mrs. Charles Gorman and Mr. and Mrs. Floyd Kimball were at South Paris, recently.

OXFORD—FORE STREET

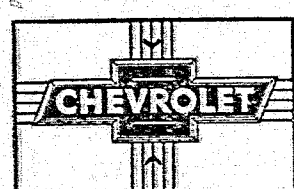

Phyllis, Billy and Mark Daniels returned home, Sunday after a week's visit at their grandfather's, W. D. Cull's.

Mrs. Hattie Stanton entertained the ladies of Fore Street Circle last Thursday. A pleasant hour was spent with knitting, sewing and sociability. Mr. Ernest Mattor will entertain next, date to be decided later.

**BIGGER
AND
BETTER**

PRESENTING THE NEW CHEVROLET SIX

Today the Chevrolet Motor Company presents the Bigger and Better Chevrolet Six, a new model of the six-cylinder car which has enjoyed such wide popularity.

In both the chassis and body of this new six-cylinder Chevrolet you will find expressed, as never before, Chevrolet's well-known policy of progress through constant improvement.

For—without departing from the basic features which have won the enthusiastic approval of over 2,000,000 buyers—Chevrolet has produced a six-cylinder car which represents an entirely new standard of quality, value and refinement in the low-price field.

Your first impression of the new Chevrolet will be one of striking fleetness, grace and beauty. The car is longer, lower and modernly smart. The radiator has been deepened and its appearance enhanced by a curving tie-bar and chrome-plated parabolic headlamps. The long

hood lines sweep back unbroken to blend gracefully into the new Fisher bodies. And never was Fisher's fine craftsmanship more evident than in the bodies of the new Chevrolet Six!

Not only are the bodies roomier and more comfortable, but as you study them you will discover many gratifying new features and pleasing refinements—many examples of that painstaking attention to detail which is the basis of true quality.

Mechanically, too, the new Chevrolet Six is a better automobile. The wheelbase is longer. The frame is stronger. The steering is easier. The clutch is more durable. There is a smoother, quieter, easier shifting transmission. In fact, wherever finer materials and more advanced design could add to Chevrolet quality or increase Chevrolet's traditional economy of ownership—improvement has been made. See the new Chevrolet Six—and you will agree that here is *the Great American Value!*

» » AT NEW LOW PRICES « «

Chevrolet has long been one of the lowest priced cars in the world. Yet due to the savings of volume production and increased manufacturing efficiency, the *Bigger and Better*

Chevrolet is offered at new low prices. Come in today. See and drive the new Chevrolet Six. Learn the *new economy* of owning a modern, fine quality, six-cylinder automobile.

Read and Consider:

If the housewives of this country knew all the facts as to how the chain systems eliminate employment, pay low wages, make slaves of help, dodge taxes, use trust tactics to cripple the home merchants, force a lower standard of living, create a monopoly and then make the people pay higher prices, fail to support community projects, destroy property values, how short weights are practiced, overcharges made, total purchases wrongly added, together with a list of the prosecutions of chain store managers, they will wake up.

Schools Had Go-to-Church Sunday

Included as Part of the National Education Week Program

The schools of South Paris had their second annual Go-to-Church Sunday as a part of the National Education Week program. Union services were held in the Congregational church at 7 o'clock, with Rev. R. H. Colby in charge, assisted by the ministers in the village.

Some two hundred pupils, accompanied by the faculty, teachers and superintendent, marched to the church in a body and occupied pews reserved for them.

A song service that opened the exercises, was led by the Ladies' Quartet, with Mrs. Harold Neal, organist, and Miss Dorothy Dean, violinist. The quartet also sang two selections, one with violin obligato.

Rev. C. L. Kinney, pastor of the Methodist Episcopal church, read the scriptures, Rev. R. H. Colby, the prayer, and Rev. E. B. Telleys of the Baptist church offered prayer.

Pres. Clifton D. Gray of Bates College brought the message of the evening, in which he emphasized a broad education as the foundation upon which to build character. We cannot know too much, he said, for education does not stop after leaving school or college. Education continues to learn until the end of his life. Education and religion should go together, and impelled by the Christian personality of the teachers, the path is made for good citizenship and a God fearing country.

Twenty-five Attend Orchard Meeting

Information and Survey Being Obtained

Twenty-five orchardists from South Paris, Norway, Waterville and Hebron were present at the meeting held Thursday evening, November 19th. The meeting was called as a result of an application for a survey to see if it would be possible or desirable to consider the formation of a cooperative marketing plant for fruit produced in this area. This survey, under the direction of the State Fruit Control Committee and assisted by Ray Atherton, Extension Marketing Specialist, was pronounced well under way at the end of the meeting.

Such information is the production of fruit varieties, number of trees of various ages, by varieties, kind of equipment being used, present method of disposal of fruit, and other questions having a direct bearing on the kind, quality and amount of fruit that will be produced during the next couple of decades was obtained from each individual.

Results of the survey will be presented to the State Committee and made known to orchardists later.

Shaw's orchestra has been engaged for the annual Thanksgiving carnival dance at Oxford, Nov. 25, and for a Thanksgiving ball at Locke Mills pavilion, Nov. 26, where chickens and specialties will be the rule.

Miss Dorothy Dean, violinist, assisted in the musical program at the Congregational church last Sunday morning and evening.

The bulk of the Mason Manufacturing Co., and the factory is working on a five day schedule while getting changed over for another season. This arrangement is temporary.

Snow fences will be featured in town the coming winter. Two lengths of 400 and 500 feet will be set along the road over Pike's Hill, and for a Thanksgiving ball at the Bonney place and from Frank Buck's garage to Mrs. Young's cottage. Other places this year are on Orchard street and Cottage street extension.

William Walker and others were observed breaking up ground and plowing on Nov. 15. Generally the ground is frozen and not workable at this time in November.

SPIRITUAL GATHERINGS

The Wednesday night spiritual circle met as usual, with a good full house, and was a wonderful meeting. The meeting was held by Dr. and Mrs. Clement and D. S. Monahan. They have started a developing class with eight signed for regular attendance. A spiritual circle was held Wednesday night at Hick's Crossing, at Mrs. Pierson's and open to the public.

Dr. Clement is holding spiritual circles Sunday night at his home in Lewiston and began last Sunday night. The Wednesday night circles will continue probably all winter, so all may plan to go each week as they are public.

Merrill Slattery Henry R. Merrill and Miss Mabelle G. Slattery, both of South Paris, were married at the Congregational parsonage at 3 o'clock, Saturday afternoon, Nov. 15. Rev. Russell H. Colby officiated, using the double ring service.

Mrs. Merrill is the daughter of Mr. and Mrs. R. D. Slattery of the Buckfield road. She is a graduate of South Paris High School in the class of 1929.

Mrs. Merrill is the son of Mr. and Mrs. Henry J. Merrill of East Main Street. He is a graduate of South Paris High School in the class of 1928, and is in the employ of the Mason Manufacturing Co. At present Mr. and Mrs. Merrill are residing with their parents.

William Smith is a clerk in Leroy Titus' market and handles the order truck. Mrs. C. L. Buck, instituting and installing officer of the Department of Maine, Auxiliary to Sons of Union Veterans of the Civil War, was in Bath Monday evening, to install the officers of T. W. Hyde Auxiliary, on Wednesday, in Bridgton to install the officers of Isiah H. Webb Auxiliary. Senior Vice Commander C. L. Buck accompanied Mrs. Buck and installed the officers of the camp. On Dec. 11, Mrs. Buck will install the officers of the Col. C. S. Edwards Auxiliary at Bethel.

Recent guests of Mr. and Mrs. G. Harold Abbott were Mr. and Mrs. James H. Abbott, Westley Hills, Miss Hazel Simms, Cambridge, and Mrs. Robert Shaw, Medford, Mass. Mrs. Lotie Abbott, town, Mrs. Amanda Curtis, formerly of Waltham, Mass., and Mrs. Ida Porter, town.

Mr. and Mrs. E. N. Anderson left Saturday on their way to Pelham, Florida, for the winter. They will visit a week with their son, Harold C. Anderson, and family, at Wollaston, Mass.

Frank A. Briggs has gone to Walla Beach to spend the winter with relatives. Rev. Herbert Law of Charlestown, N. H., will preach in the Universalist Church Sunday morning. He preached there last Sunday and remained in town during the week.

There was a small attendance at Paris Grange, November 15. The General Deputy Stevens was present and helped on the program. The grange voted to send worthy Master F. L. Woodworth to the State Grange and pay the expenses. The Grange will give their drama "Civil Service" two nights, Nov. 27 and 28. The next meeting will be held on Dec. 6th with a grange dinner.

Annual Thanksgiving Concert

Usual Community Event Next Sunday Night

According to a custom established some years ago the community will unite in an annual Thanksgiving concert at the Congregational church, Sunday evening, Nov. 23. A splendid musical program will be presented in which an orchestra of fifteen pieces will be featured. The proceeds of the free will offering will bring Thanksgiving cheer to many South Paris homes.

Program is as follows:

Orchestra Selection, "Largo".....Handel Invocation....."One Sweetly Solemn Thought".....Ambrose Cornet Solo, "Simple Ave".....Thomson String Ensemble, "Ave Verum Corpus".....Mozart Violin Solo, "One Foot".....Ellis Reading, "A Christmas Present for a Lady".....Kelley

Mrs. Esther R. Anderson.....Rodney Cello Solo, selected.....Trombone Solo with Orchestra accompaniment, "Serenade".....Schubert

Orchestra Selection, (a) "Intermezzo from The Insectivore".....Donizetti (b) "Mighty Jehovah".....Donizetti (c) "The Orchestra".....Conte America, The congregation singing. Benediction.....

Viola—Miss Josephine Rand, Mrs. Shirley Wilson. Bass—Clarence Decester.

First Clarinet—Charles Garcelon. Second Clarinet—Donald Robinson. Trombone—James Mason. Organist—Mrs. Ida Neal.

Grange Play

Will Be Presented Next Week

Paris Grange will present "Civil Service" in the hall on the evenings of Nov. 26-27. The play is a human interest story of happenings in a post office where a cooperative marketing plant for fruit produced in this area. This survey, under the direction of the State Fruit Control Committee and assisted by Ray Atherton, Extension Marketing Specialist, was pronounced well under way at the end of the meeting.

Such information is the production of fruit varieties, number of trees of various ages, by varieties, kind of equipment being used, present method of disposal of fruit, and other questions having a direct bearing on the kind, quality and amount of fruit that will be produced during the next couple of decades was obtained from each individual.
